

3-Day Certified GETI Trainer's Training Program

Dear Trainer,

Greetings!

Global Education & Training Institute (GETI) in association with Edison Education, TARGETplus Education, and the Council for Global Education, USA, is holding a 3-day "Certified Trainer's Training Program" from 26-28 July, 2017, following which you may join us as freelance, part or full-time trainer. You may train teachers at schools, conduct and lead workshops, and implement training programs as our certified freelance trainer, or be a full or part-time faculty on our payroll.

You will be able to improve teaching learning practices at schools in your own region, nationally or internationally. Earn as you make a difference!

Training will be conducted by Dr. Sunita Gandhi, educator, innovator, researcher and author, along with her team of experts and master trainers.

The details of the program are as follows:
